LONG LIVE YOUR DENIM

WASHING INFORMATION

WASH your denim inside out to preserve color using bleach-free liquid soap.

WASH in cold water; the color will last longer and will prevent shrinking.

DO NOT wash raw denim, but if you must, simply rinse in cold water.

DRYING INFORMATION

HANG-DRY your denim to eliminate creases.

PUT them into the dryer at medium temperature for a few minutes to soften the fabric once they have dried.

DO NOT use the dryer for jeans containing Lycra* or Spandex* content.

DO NOT dry your jeans out in the sun, as color may fade & yellow.
